

PURSuing A FULFILLING CAREER USING NLP & TLT

Synopsis

The long lasting COVID-19 pandemic has set off a new trend in this labor market. Many things have changed since this pandemic, some are starting to feel unmotivated to get back to office, others are looking for more opportunities for career and personal growth. Neuro-Linguistic Programming (NLP) and Time Line Therapy™ (TLT) are known worldwide since 1980s on its impactful results for creating everlasting changes in a person's life, including pursuing fulfilling career. Talk by a qualified NLP & TLT Trainer, and a Professional Engineer herself, this talk allows you to:

- Discover what values drive you at work
- Take charge of your career purpose
- Master your thoughts and behaviors
- Discover some empowering themes
- 1st step to be an expert in NLP & TLT

Do you want to pursue a fulfilling career?

Yes!

This is the Talk to attend.

TESTIMONIAL

"It was pivotal for my career development as I have learned to have a greater understanding of my core career values. The insights gained helped guide and escalate my career to where I would like to be."

*- Senior Analyst,
Global Consulting Firm -*

**CHAYOTHO
CHAYOLIF SDN. BHD.**
(1288484-H)

"It takes courage to endure the sharp pains of self-discovery, rather than choose to take the dull pain of unconsciousness that would last the rest of our lives."

- Marianne Williamson -

TRAINER'S PROFILE: IR. ANG PEY CHAR

Ir. Ang Pey Char is the Principal Consultant of Chayotho Chayolif Sdn. Bhd. She is an insightful speaker and workshop facilitator, who is both fun and practical. Holding on to the philosophy that everyone is endowed with great potential only to be discovered and developed, Pey Char's strengths lies in her ability to stay focused on key issues and find pragmatic solutions that produces lasting benefits. Meeting her for the first time, one will quickly realize that she is an easy going and approachable person.

Her diverse experience in life made her a highly resourceful trainer and therapist. She is a Professional Engineer, trained in the field of engineering and finance, holding an MBA and a Bachelor Degree in Engineering. She is recognized as a leadership talent amongst her peers and superiors during her career in the corporate sector. A recipient of leadership awards, she is known to lead with passion and authenticity. She has served the Power Industry and Rail Industry for more than a decade.

She loves leaving people feeling better than she found them. She has elevated the lives of countless people. Pey Char has collaborated with numerous organizations and the list include, Universiti Tenaga Nasional (UNITEN), Sunway University, KDU MDC, The Institution of Engineers Malaysia (IEM), Tenaga Nasional (TNB), Bden Systems, Toyota Hong Huat, Perdinginan Megajana, Bukit Pasir Shell Lubricants, MSA Steel, Tadika Cinta Hati, C.Y.Ten & Co, Big Ideas Consultancy, Hyatt Global, and many more. Pey Char is also a resource person for International Malaysia Education Centre (IMEC).

Pey Char is a Certified Trainer of both Neuro-Linguistic Programming (NLP) and Time Line Therapy™ (TLT), who firmly believes that if one wishes to change the outcome of something, one needs to first change the inputs. "Many of us want to change the results that we produced in life, be it career or relationships or anything else, without realizing that we have to first change what we put into our lives!" quips Pey Char whenever she talks about lasting transformation. She now trains with NLP and inspires people to be catalyst for change using the principles of NLP and TLT. Pey Char is also a Professional Trainer certified by the Human Resource Development Corporation (HRD Corp) and her company, Chayotho Chayolif Sdn. Bhd. is a qualified HRD Corp Training Provider.

In her free time, she enjoys travelling to new places, reads, exercises and volunteers her resources in social activities. She finds it fulfilling to assist people in discovering their potential and achieving their life purposes. Contact Pey Char at www.chayotho.com
