

**Improving the world through engineering**

**Did you ever get angry on the self-checkout machine while doing your shopping?**

**Have you ever wonder whether you can cheat on a vending machine?**

**Would you like to know how cash payments are processed?**

If your answer is yes, then come to visit a factory of the world's biggest coin-processing device provider. You will have a unique opportunity to see :

- Design Offices
- Assembly Lines
- In-house Injection Moulding Room

**When?**

1<sup>st</sup> November  
6 p.m to 8 p.m

**Where?**

Crane Payment Innovations  
New Coin Street  
Royton, Oldham OL2 6JZ, UK

**If you would like to attend then please contact Matt at:**
