Annual Arnold Barks Christmas Lecture

AURORA: IN SEARCH OF THE NORTHERN LIGHTS

Institution of
**MECHANICAL
ENGINEERS**

IET The Institution of
Engineering and Technology

Improving the world through engineering

Do we really understand the northern lights?

Dr Melanie Windridge is a plasma physicist, speaker, writer... with a taste for adventure, will be presenting this year's Annual Christmas lecture in Salisbury.

This beautiful and inspiring lecture will describe our connection to the Sun, the scientific processes behind the polar lights, and some of the unwanted technological effects of Space Weather

Wed 6th Dec 2017 19:00

Doors open **6.30pm** with Coffee/Tea available
Canapé Reception will follow the lecture

Salisbury Arts Centre

Bedwin Street, Salisbury SP1 3UT

Tickets **£10**: tinyurl.com/IMechE-AB12
