

Project SIREN: A New Lightweight Ambulance for the UK

Automobile Division Yorkshire Centre

PROJECT SIREN: A NEW LIGHTWEIGHT AMBULANCE FOR THE UK.

Tom Pawinski

Will Sutcliffe

Venari Group is a premium quality builder of emergency vehicles and an equipment supplier for the emergency services. Project SIREN is the culmination of a strong and productive partnership between Venari and Ford of Britain to develop a 3.5T lightweight ambulance for the UK.

In this talk, the speakers will discuss the technical challenges and the development of this new product.

Thursday 24th February 2022

6:00pm to 7:00pm.

Online Event

This event is free to attend and non-members are welcome.

This lecture contributes to CPD.
