or

**Tuesday 8<sup>th</sup> December 2014**

18:00 – approx. 20:30

Cost: £10

**Places are strictly limited so pre-booking is essential.**

**Institution of  
MECHANICAL  
ENGINEERS**

**Improving the world through engineering**

## **Tour and Christmas Bauble Blowing**

Join the Bath and Bristol Young Members Panel at the Bristol Blue Glass factory!

We will get a tour of the factory and a talk about the history of glass blowing, followed by a demonstration by a glass-blower to show how they blow the famous blue glass.

You will then get a chance to try your hand at glass blowing, and make your very own bauble.

Tea, coffee and biscuits will also be provided.

See the Bath and Bristol YMP 'Near You' page for details and to book your place.
