

Jaguar Assembly Plant Visit

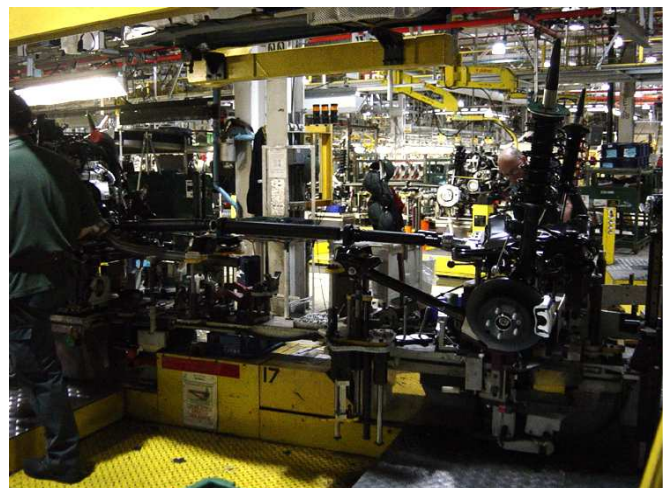

A group of Sixth Formers, accompanied by Mr Lupton and Mrs Pattinson, travelled to Halewood near Liverpool to visit the Jaguar Assembly Plant.

Presentation of Pit Tankie by Ian Lupton

The students, along with members of IMechE West Cumbria, had the chance to view the process of assembly for Land Rover Freelanders and Jaguar cars. The tour began with a video of the plant through the years and a talk on Health and Safety. The plant tour showed the cutting edge of robotic technology, lean manufacturing and the integration of the state of the art assembly methods.

Hailwood Plant Group Visit
