# MEET US AT "BUILDING GREEN EXPO 2014"

Institution of  
**MECHANICAL  
ENGINEERS**

The "Building Green Expo" is considered as a reference point for the professionals of the Greek building sector. We are pleased to announce that our Group will be present at this year's expo. We wish to meet you there and discuss about green technologies and find out about the recent activities of the group and the road to professional registration with the Institution of Mechanical Engineers.

**21-23 November,  
M.E.C. EXPO CENTER**

301 Athinon-Lauriou Avenue  
19002  
Paiania, Attiki
