Improving the world through engineering

The Switzerland Group of the IMechE have the pleasure to invite you to a technical lecture on the theme of **"Global developments in the power generation market"**.

Mr. Charles Soothill, IMechE Fellow and GE executive, has kindly agreed to share his experience with us on the subject.

An apéro, generously sponsored by Altran Switzerland, will follow after the lecture. All members and guests are welcome to attend through prior registration.

Thursday 17 March 17:30

GE Power: Konnex building, room K5
Brown Boveri Strasse 7
5401 Baden
