CHRISTMAS DINNER 2014

Institution of MECHANICAL ENGINEERS

This year's Christmas dinner will be held at the splendid Art Deco Hotel Montana in Luzern.

There will be an apèro, followed by a four course meal with the choice of a vegetarian option. There are only 30 places available, so book early to avoid disappointment!

CHF 100 per person

You could combine this with a stay at the hotel, with preferential rates for those attending the IMechE dinner and a visit to the Christmas market or the transport museum over the weekend.
