Do you want your engineering competencies accredited by an internationally recognised engineering body?

Why not become a chartered engineer (CEng), incorporated engineer (IEng) or Engineering Technician (EngTech) through the Institution of Mechanical Engineers?

Rachel Leech, the IMechE International Business Development Manager will explain the benefits and the process, as well as offer advice and personnel consultations.

Sessions in Zürich and Baden will be held.

Thursday 5 Dec. 16:00 start

MAN Diesel & Turbo AG: Main conference room
Hardstrasse 319
8005 Zürich

Friday 6 Dec. 16:00 start

Alstom Power AG: Konnex building room K1
Brown Boveri Strasse 7
5400 Baden

Improving the world through engineering
