

Joint Technical Program Mechanical – Site Visit

Techport Australia – Common User Facility (CUF)

CUF Admin Office, 61 Veitch Rd Osborne

2:45 PM Meet for 3:00 PM Start

Tuesday, 9 April 2013

The Common User Facility is a national strategic asset owned and operated by the Government of South Australia. The facility is spread over eight hectares at the heart of Techport Australia, and will play a key role in assisting ASC to build the state-of-the-art Air Warfare Destroyers (AWDs). It will also support the delivery of future naval projects such as assembly of the next generation of submarines.

The Common User Facility provides flexible access to a range of companies, contractors and sub-contractors and a range of projects in addition to the AWD project. It is also capable of supporting multiple projects concurrently.

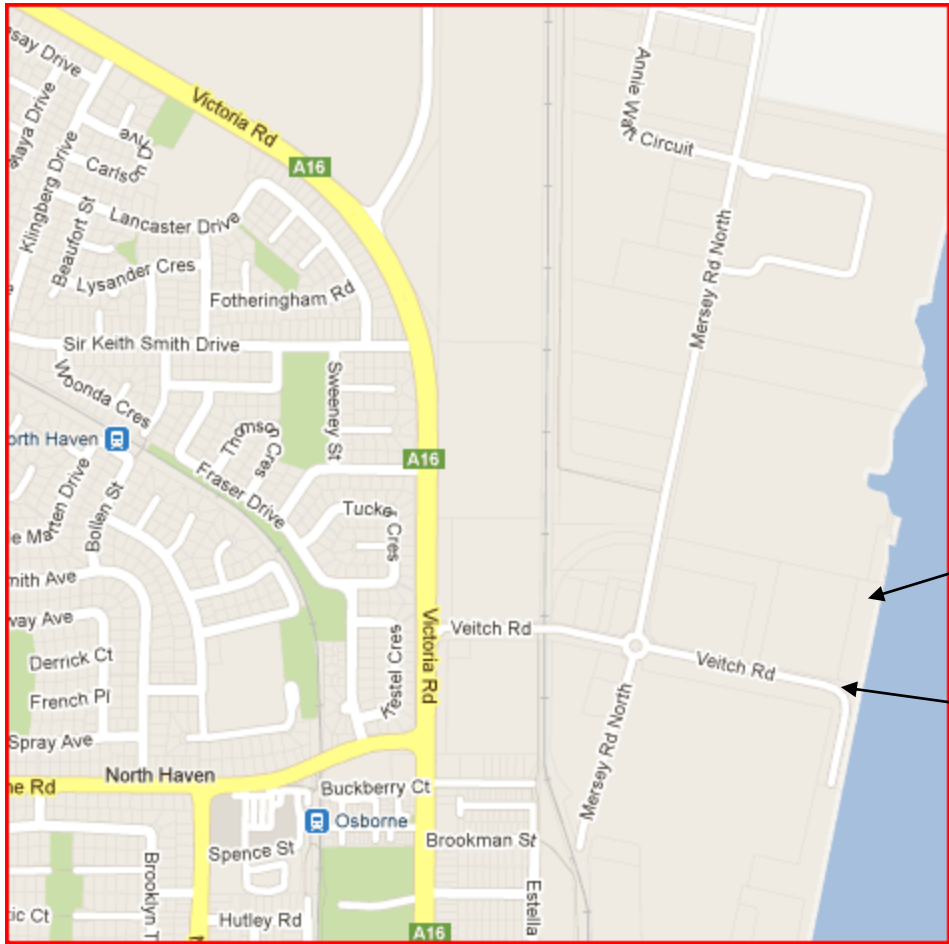

Registration: Michael Evans on michael.evans@internode.on.net by 18:00 on Sunday 31 Mar 2013

The group size for this visit is **strictly limited to 20 attendees**.

Attendees who are not Australian Citizens need to indicate nationality and date of birth, and will require their passport on the day.

When you register for the visit, please provide your membership number if you are a member of one of the sponsor organizations for this event. Registrants will be contacted prior to the event to confirm attendance.

For those attending, long sleeve shirts and long trousers as well as closed-toe, flat shoes are mandatory
